Seams to me...

Hello everyone!! This is the month that we will be sharing our Picture This Challenge Quilts. I can't wait to see everyone's interpretation of this challenge. I'm putting the finishing touches on mine now. Stay tuned as to whether this meeting will be virtual or live and in person. When you have completed your quilt, please send me a photograph and I will compile them all in a PowerPoint for sharing on the website. I can add pictures up until the Friday before our guild meeting.

I am pleased that we will have the opportunity to begin the Mondo Bag workshop this month. June Alston has been very busy preparing instructional videos to guide us through this project. Thank you to Renee Christensen for working out the logistics. It's wonderful that our members are willing and able to step up when there is a need! The Oxford Language Dictionary defines a guild as follows-- "A guild is an association of people for mutual aid or the pursuit of a common goal". I love how we help one another reach our goals of learning, improving and encouraging one another as we enjoy the wonderful world of quilting.

Until we meet again stay healthy and enjoy every day to the fullest!

Theresa

Workshops Article

Hi, all you quilting ladies,

Get a new blade in your cutter and get ready for a workshop! The Mondo Bag workshop was rudely interrupted by the Virus. Now we are ready to forge ahead with a plan for an [in-person](#) or a [virtual workshop](#), your choice. The workshop will be held in October. The layout and cutting instructions will be held at the end of the September zoom meeting for those that sign-up and pay.

June is busy making videos to help us follow her in the process of making these fun bags that include the use of 2 1/2" squares and a gridded fusible interfacing. What we need now is to know if you want to sign-up for the workshop. We are starting off with a fresh list since everyone's situation has changed.

The in-person workshop will have a limit of the number of sewers attending. It will be held at Talahi Island Community Center (TICC), 532 Quarterman Dr, Savannah. This is where we hold our Friday Sew Bee. The time will be after our meeting on October 10th, from 1-5 pm.

The zoom instruction will have no limit so we should be able to meet the needs of all the quilters. The zoom construction of the Mondo Bag date in October will be determined soon, but should be near the meeting date of October 10th. June will lead it and help us through the sewing steps to construct our Mondo Bags. If you miss the zoom workshop, there will be a way to view them at a later date.

Please respond by calling (or email me at rippinrenee@gmail.com) if you want to sign up for the workshop and if you want to meet on October 10th at TICC for the in-person workshop or for the Zoom workshop which will be determined soon.

The price of the workshop will be the standard \$20 fee. It will need to be collected by the September meeting on September 12th.

You can send checks to:

Upcoming Classes - Nationally known teachers

Savannah Quilt Guild - Class

(featuring national/regional instructors)

Full Day Class for 2021 – It's getting closer :

Nancy Mahoney will present a 6-hour Class on **Friday, February 12, 2021** and a Lecture at our Guild meeting on Saturday, February 13, 2021. She lives only 3 hours from Savannah so travel is not an issue. Paper piecing is one of her specialties. We have determined that an interesting class will be her **Tilted Tile Block** – see picture below.

Notice the many small pieces used to create this block. I count 21 pieces for 1/4th of the 4-section block. It allows for the look of curves in the finished block. While it sounds complicated, it is a class that will open your eyes to the possibilities of paper piecing and how methodical it can be.

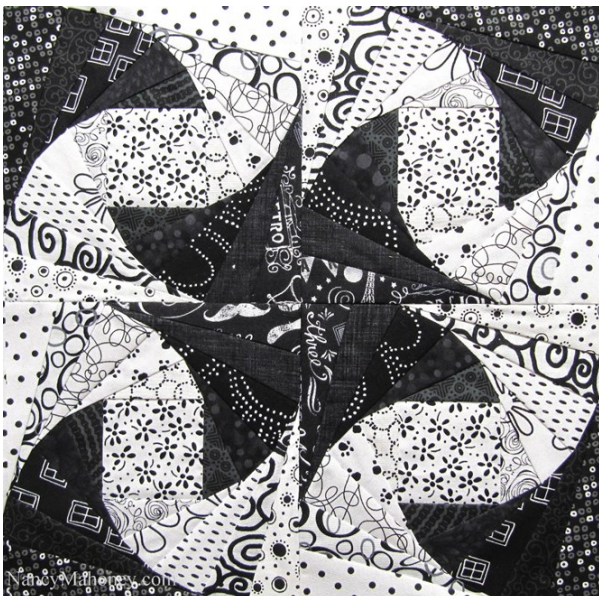

In the meantime, check out her website at nancymahoney.com to learn more about her talents and the Class.

We can schedule Nancy for a 3-hour class after our meeting on Saturday for EQ8 (Electric Quilt Design Software) if there is adequate interest. Please let me know if you are interested in this class about the computer software program. I've only heard from one person so far; if you are interested, I'm not a mind reader - send me a note.

Until we get back together again, I am wishing all of you peace, safety, and sanity. See you on Zoom!

Charity: Nursing Covers

Jan Howard, sunfish2@att.net

Nursing cover news....our contact at Memorial is back from maternity leave. She said her baby girl is a great baby. I delivered 12 covers and 1 preemie cap on Aug. 20th.

If you have fabric to donate for this project, we would greatly welcome it. Until we are able to meet at the Woods, fabric may be dropped off on Fridays at the Community Center on Talahi Island between 10am and 2pm. The address there is 532 Quarterman Dr.. I will also have kits available to make covers.

Thanks so much for the fabric that has been donated and the kits that have been completed!

Jan

Memorial NICU has let us know they are always in need of preemie hats/caps, especially colors for boys. Any knitters/crochet's might want to take note of this.

Nursing covers are always welcomed. We are the only group that supplies them to Memorial. Instructions are included in the kits, along with boning and D-rings.
