## President's Column

## Seams to me...

What a treat it was to be together for our September Guild Meeting! The quilts that were shared were amazing, as usual, and the Challenge Quilts were all very impressive. If you haven't seen the photographs be sure to head over to our website and enjoy them there. The live meeting combined with the Zoom component was a bit of a challenge, but we learned a few things that will hopefully be improved upon at our next meeting. Your patience is appreciated! Thank you to Renee for being the on-site Zoomer and to Donna for stepping in as photographer. It truly does take a village!

Our By Laws require that a Nominating Committee be appointed in September to seek out nominees for the Executive Board for the upcoming year. I would like to thank Marilyn Smith, Janet Howard, Cindy Stewart and Poppe Nezbeda for agreeing to take on this important task. They will be presenting a proposed slate at our October meeting. Nominations from the floor will also be in order. Members will vote for the Officers at our November meeting. Thank you in advance to those who have been or will be asked to serve in 2021.

Hmmm... this is beginning to sound more like a November/ Thanksgiving column. Please know that I am grateful to each of you for your continued interest and participation in our guild. This has been a very trying and confusing year for everyone, but I know that we will weather this storm and emerge even stronger when all is said and done. Take care of yourselves, sew to your hearts content and I hope to see you soon!

### Programs and upcoming events

Mary Bass, Vice President, [programs@savannahquiltguild.com](mailto:programs@savannahquiltguild.com)

Hello everyone!

I hope you all enjoyed the September meeting whether in person or via Zoom. As a Zoom participant I was happy with the way the meeting went. A big thank-you to Theresa and Renee for setting up the meeting and helping it to run so smoothly. The quilts for the president's challenge were spectacular! I really enjoyed seeing the various techniques and interpretations. Well done! For next month's program we will have a trunk show by Jan Smart. In November we will have Renee Christianson on the program.

Stay safe and quilt on!

*Mary*

*If you would like to share your skills and talents with the group or have any program ideas please feel free to tell me. Also please let me or any board member know if you are interested in serving on the board for next year. There are many ways you can contribute and I know how rewarding it is to be part of this*

## **After Meeting Workshops and Sew-Ons**

*Jan Smart, workshops@savannahquiltguild.com*

Thank you, June Alston, for the wonderful video instruction for Mondo Bag (part one)! With the aid of her lovely assistant/granddaughter, June led us through the setup for this multi-step project.

**October workshop** will be the second part of the Mondo Bag project. If you missed part one but would like to participate, contact Renee to learn how to see the video for part one. The cost is \$20.

**November workshop** will be the Fidget Quilt with instruction by Carol Vondeylen. The fee will be \$20. Start collecting items that can be attached to the small lap quilt for tactile stimulation, such as ribbons, tassels, zippers, rick-rack, buttons, plastic spools, soft objects, fringe, and other items that can go through the laundry. I'll put together some fabrics and objects that can be shared by the group.

At this time, it appears we will be meeting in person and via Zoom for the October meeting and workshop. The in-person openings will be a limited number so please notify Renee if you plan to be attending the workshop. If you're interested in participating via Zoom, there will be unlimited openings.

*Jan*

### **Full Day Class for 2021 – The time is here to begin Sign Up!!**

**Nancy Mahoney** will present a 6-hour Class on Friday, February 12, 2021 and a Lecture at our Guild meeting on Saturday, February 13, 2021\*\*.

**The Class will be \$40.00 and attendees will be registered when your check is received.** I'm guessing I will hold the checks for about 2 months before turning the \$\$ over to the Treasurer. (We save a lot when there is no airfare). You will get a supply list and should prepare to bring your own lunch. The Class limit is 20 students in order to be socially distanced.

In the meantime, check out her website at **[nancymahoney.com](http://nancymahoney.com)** to learn more about her talents and the Class. Check out the About Nancy on her webpage.

***\*\*We will schedule Nancy for a 3-hour class after our meeting on Saturday for EQ8 (Electric Quilt Design Software) if there is adequate interest (hopefully 15 people). Please let me know if you are interested in this class about the computer software program. I've only heard from two members so far.***

Memorial NICU has let us know they are always in need of premie hats/caps, especially colors for boys. Any knitters/crochet's might want to take note of this.

Nursing covers are always welcomed. We are the only group that supplies them to Memorial. Instructions are included in the kits, along with boning and D-rings.
