2021 at Last!

Let me look back for just a moment to thank all the ladies that have worked so hard to make the Savannah Quilt Guild a success.

We have had the opportunity to attend workshops with some nationally known and internationally known teachers as well as our own very talented quilting experts. We all have learned so much from our wonderful programs.

What can I say about our yearly retreats, what a great time of fun and quality bonding. AND, who would have thought our little guild would use internet technology and do it so well. The support we have been to each other this past year has especially warmed my heart.

Again thank you, thank you, thank you to everyone who has made our guild what it is today.

Looking forward, although some limitations continue, the board is planning a fun packed year. Some of this year's journey will be virtual, some home grown, so let's get started.

Hold on to your hats girls....2021 here we come!

Cindy

Programs and upcoming events

Kim Hayes, Vice President, programs@savannahquiltguild.com

Whew, finally the start of a new year!

I hope everyone had a safe and happy holiday. Knowing that isolating and Zooming are still in our future, we're working to continue finding ways to keep everyone participating at the level they are most comfortable with. During the year, we hope to have several video presentations and trunk shows.

January:

Cindy will start the year off with our version of a guild Block of the Month.

Also ,if anyone has any suggestions for something they would like to learn about, please let me know. And remember, a messy house is the sign of a happy quilter,

Kim

After Meeting Workshops and Sew-Ons

Jan Smart, workshops@savannahquiltguild.com

We resume our schedule of after-meeting workshops beginning in January, but with the understanding that workshops may be canceled or postponed based on whether members or instructors feel uncomfortable meeting in person. As always, if there's a topic you would like to see as a workshop, please notify me.

January: Fidget Quilts with Carol Vondeylen.

These small, washable quilts can be made to comfort and occupy a person with dementia, or to intrigue and delight an infant. The quilts have a variety of tactile features: zippers, buttons, ribbons, tassels, rickrack...nearly anything that is safe and can survive the washing machine. The fee is \$20.00. This workshop will be held in Carol's home.

Please contact me at maxwellsgal@aol.com or text 757.334.3907 to sign up for these classes and/or give suggestions for other workshops.

I'll have further information on future workshops at our January meeting.

Thank you!

Jan

The website is operating smoothly through 2020 and 2021 should be the same. The launch of the new website in early March went well and additional pages and information have been added. The Quilter's Marketplace is available for our members to sell their sewing machines, notions, fabric or tools. Contact me if you have any questions or concerns about posting your items.

Memorial NICU has let us know they are always in need of preemie hats/caps, especially colors for boys. Any knitters/crochet's might want to take note of this.

Nursing covers are always welcomed. We are the only group that supplies them to Memorial. Instructions are included in the kits, along with boning and D-rings.
