President's Column

Cindy Ochoa

president@savannahquiltguild.com

Oh my, it's June and we have a busy month ahead of us. This month I will be revealing the President's Challenge. My hope is that the project will be meaningful and fun for you all. I am so looking forward to Flipping Out with Theresa in our after-meeting workshop as well. Thank you to the ladies who participated in the Design Board Workshop last month, we had a great time. Please bring your Design Boards to the guild meeting and show them off. We will continue to work on our Vintage Housewife Sew Along. This month we are working on the Telephone Block. Those of you who are participating in the Sew Along please bring your Typewriter Block for Show and Tell.

Programs and upcoming events

Kim Hayes, Vice President, programs@savannahquiltguild.com

I can't believe it's June already! I don't know about anyone else, but this year is flying for me. I hope you all are getting some good sewing time in!

June's program we have Cindy Ochoa presenting the President's Challenge. None of us have a clue what it is. Cindy will not budge an inch giving us any hints! It will be a surprise for us all.

July's program will be our summer luncheon. The guild will be providing a catered lunch. We wanted to say Thank you to the wonderful group of women we are fortunate enough to have in the guild! So, keep an eye out for an Evite in your email this month. Please respond so we can get an accurate count.

August's program will be a presentation by Renee Richardson and Cindy Ochoa on basic paper piecing techniques.

Hope to see you June 12th. And remember, you are not hoarding fabric, you're helping support the economy!

After Meeting Workshops and Sew-Ons

Jan Smart, workshops@savannahquiltguild.com

Thank you to Cindy Ochoa for the design board workshop in May. It was a quick, fun project and a great chance to socialize. I'm making more design boards in 12" and 18" squares. Love this project!

June Workshop - Flipping Out bag with Theresa Sapp.

This adorable and versatile zippered case allows your supplies to be organized. It is designed to stand, and the top folds down for easy access and visibility. Theresa has kindly put together a supply kit of the items needed to create this bag. The supply fee is \$15.00 and the cost of the workshop is \$20.00.

July- There will be no workshop in July due to Guild luncheon.

Additional note: Signing up for a workshop commits you to paying for your spot. The money goes to help fund the instructors, programs and expenses of our guild. It is not refundable, but it does go to a good cause. Payment must be made when signing up to reserve your spot. There is no sign-up charge for a Sew-on or a Charity Sew.

Be aware that once you have signed up for a workshop, you will receive an email from me as a reminder. It will also detail all the items you need to bring to the workshop. When signing up, please include your email address to allow me to more easily contact you. Thank you.

I'm eager to see you at the upcoming workshops!

SQG Website News

The Zoom program, Hobbs Batting, is now posted on the SQG Programs page along with the handout from Hobbs. Stephanie Hackney did a great job explaining the difference in battings and many of us were surprised about how much we learned. She is a wealth of knowledge!

The workshops on the “Featured Events and Workshops” page on the website have been updated through the end of the year. Please let our Workshop Chair, Jan Smart, know if you want to be added to a workshop list.

Don’t forget to check out the Quilter’s Marketplace, which has new postings!

We are collecting pillowcases for the Pediatric ICU at Memorial Medical Center. For information contact Paula LaCoe or Cindy Cybul.

Memorial NICU has let us know they are always in need of preemie hats/caps, especially colors for boys. Any knitters/crochet's might want to take note of this.

Nursing covers are always welcomed. We are the only group that supplies them to Memorial. Instructions are included in the kits, along with boning and D-rings.
