President's Column

Laurel McKeith

president@savannahquiltguild.com

Greetings fellow SQG Members. I hope you all are doing well and enjoying some 'downtime'. I have been busy getting 3 quilts ready for judging at the fair. Lanette has been a BIG help. I am looking forward to our Sewcial as I have had the opportunity to sample Erica Davis' catered food. Don't forget to work on the 'President's Challenge', you have only 3 more months! We will not have a Board meeting this month as I will be out of town and right now our scheduled programs and workshops are still on target. I am sorry to miss the Sulky Workshop and program but will be on my way to explore the Northeast Coastline (up to Maine). Please stay safe, cool and healthy.

Laurel

Programs and upcoming events

Kim Hayes, Vice President, programs@savannahquiltguild.com

Hi Everyone,

I want to say thanks to Sally Shake for talking to us about her business! I'm very impressed with everything that you've accomplished so far. And I'm always up for shopping, so thank you! Hopefully after you move to your new shop you'll be able to attend more meetings.

So September is our 2nd big class/program for this year...Sulky. I'm sure the Saturday program is going to be full of lot's of information. So even if you're not attending the Friday class, you don't want to miss the guild program. Plus shopping at that too!

Kim

P.S: Have you hugged your sewing machine today?

After Meeting Workshops and Sew-Ons

Jan Smart, workshops@savannahquiltguild.com

There are only two after-meeting workshops for 2022, and they are generating a lot of excitement!

October 8th: Odds & Ends with Lanette Edens

Lanette will follow up her very successful workshop from 2021 with more ideas on improving your quilting skills. If you attended her last workshop, please bring the handout from that workshop along with your sewing machine. As time gets nearer, Lanette will post any additional needed supplies.

This workshop is full and there is a waiting list. If you signed up for this workshop but find that you will be unable to attend, please post a message on our Members Post on our SQG website so you can get your fee back.

November 12th: Triaxial Weaving with Mary Bass

Mary will lead us in this lovely small weaving project using bias tape or ribbon. This project will require 3 colors and if buying ribbon, you'll need 2 spools of each color. The only difficulty will be in deciding how you would like to use your weaving ...I'm torn between a pretty little pillow and a small bag for my cell phone. I may need to make a second one! Mary will post a supply list on Members Post prior to the workshop.

This workshop is over half full. I have one person who is making her spot available. Contact me if you're interested in attending and I will connect you with that person.

Jan

Remember: All workshop fees are non-refundable, unless cancelled by the presenter or by the SQG board.

Community Outreach: Nursing Covers & Pillowcases

Jan Howard, sunfish2@att.net

Wow! I was able to bring 56 caps, 20 nursing covers and 3 blankets to Memorial Hospital this month! Great job ladies! Thank you so much! Thanks also to the people that donated some fabric to be made into nursing cover kits. Please keep the color fast donations coming!

Community Outreach - Brighten the world of a sick child

Cindy Strubbe

Memorial NICU has let us know they are always in need of premie hats/caps, especially colors for boys. Any knitters/crochet's might want to take note of this.

Nursing covers are always welcomed. We are the only group that supplies them to Memorial. Instructions are included in the kits, along with boning and D-rings.
