Greetings fellow SQG Members.

After a month of being away I hope to get back to it. I missed all of you during my time away. Coming back fresh to start my Presidents challenge. Hope everyone is working on theirs.

A big thank you to our Nominating Committee members! Jan Smart, Jennifer Farago, Carol Lannom and Cheryl Dingleline have accepted the task of securing candidates for the positions of President, Vice President, Secretary and Treasurer for 2023. They will be presenting the names of these candidates at the October Guild Meeting. The slate of officers will be voted on at the November meeting.

Have a wonderful autumn everyone

Laurel

## **After Meeting Workshops and Sew-Ons**

**Jan Smart, [workshops@savannahquiltguild.com](mailto:workshops@savannahquiltguild.com)**

We're nearly at the end of 2022 and looking forward to the two final workshops of the year.

**October: Odds and Ends Part Two with Lanette Edens**

This highly anticipated sequel to Lanette's last workshop is full...in fact, there is a waiting list. If you have signed up and paid but find you are unable to attend, please notify me so I can offer your spot to someone else. This will allow you to get your fee back. The fee is \$20 and Lanette has posted a supply list on the SQG Member's Post. I will be sending a copy of that supply list to each participant as the day nears.

**November: Triaxial Weaving with Mary Bass**

There are just a few spots left for Mary's workshop on this creative method of creating patterns using ribbons or bias tape. Mary suggests getting 2 spools of three different colors of ribbon for this project. We'll be using a square or rectangle of foam core to secure the ribbons as it's being woven. Check out the beautiful colors Mary used in the two examples in the photos. The fee for this workshop is \$20.00 and is nonrefundable.

We'll be putting together the roster of workshops and programs for 2023 soon. Please contact us with any suggestions on topics you'd like to learn next year!

**Jan**

Remember: All workshop fees are non-refundable, unless cancelled by the presenter or by the SQG board.

### **Things to do this month...**

- ◆ Come join the fun at the **“Friday Sew Bee”**. Four hours of sewing fun with a lovely group of ladies that love to quilt. The Sew Bee meets from 10 am to 2 pm at Talahi Island Community Center. Email Renee to reserve your spot at [rippinrenee@gmail.com](mailto:rippinrenee@gmail.com).

- **Monday Zoom**

Several quilt guild members meet each Monday at 11am for the Monday Quilting Zoom. This began with the Zoom meetings we had during quarantine and has continued to keep in touch with each other. Several members of the guild who do not live in Savannah love being able to take part in the Monday zoom. They feel a connection to the quilt guild though they cannot attend the monthly meetings. We talk about a wide range of subjects related to quilting - piecing, paper piecing, machine quilting, free motion quilting, sewing rooms, lighting and more. It is a chance to ask questions and seek advice from each other. We share our works in progress, finished pieces, news about quilt shows, books, TV shows and YouTube channels. Participants can send me pictures by email which are shared to the group. So, if you would like to join us please let me know and I will add you to the email list. We would love to see you on Monday mornings at 11 am.

### ***Upcoming Classes - Nationally known teachers***

#### **CLASSES:**

What a great year we have had with our two classes. First Nancy Mahoney teaching paper piecing and then Nancy Sapins of Sulky Threads walking us through the magic of free motion quilting using an 8" hoop. I am still practicing. Thank you to each of you who participated in these classes. It was great fun to get to know you better.

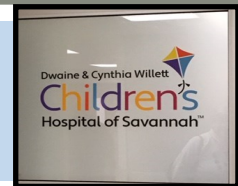

We are developing our classes for 2023 and beyond. Your suggestions have opened options for the guild. More information to follow. In the meantime, mark your calendar for April 14, 2023. We will paint Barn Quilt Blocks with Suzi Parron.

## Community Outreach: Nursing Covers & Pillowcases

Jan Howard, [sunfish2@att.net](mailto:sunfish2@att.net)

Thanks to your contributions, I was able to bring 14 nursing covers, 2 caps and 2 blankets to the hospital in September. Please remember to return the instruction sheets when you turn in the finished covers. The covers, caps or blankets do not have to be washed as I do this and package them for delivery. The blankets should be at least 21 x 23". Larger is fine as they can then "swaddle" the baby. White is preferred, but off white or pale colors are ok. Thanks again for your help!

## Community Outreach - Brighten the world of a sick child

Cindy Strubbe

Memorial NICU is always in need of hats/caps for the babies. The very small preemies cannot wear them, but as they grow and the larger children in there do use them. They may be used in the ISN, Intermediate Special Care Nursery, also.

### **Book review:** "Fabric Weaving - play with color and pattern" by Mathew Boudreaux & Tara J. Curtis

I heard about this book on Mr. Domestic's YouTube channel. He is a multi-talented craftsman and lots of fun to watch. The book has 12 projects - 6 biaxial and 6 triaxial weaving. There are pillows, totes, clutches and my favorite triaxial weaving on the back of a denim jacket. The instructions are well written and there are plenty of photo illustrations. If you would like to know more about fabric weaving and get ideas for projects this book is for you.
