President's Column

Happy New Year!

I hope everyone was able to spend time with family and friends during the holidays. Thanksgiving to New Year's is always such a whirlwind.

I want to thank everyone for giving me the opportunity to be your guild President for the upcoming year. I will work very hard to live up to the position.

We missed everyone who was unable to attend the December luncheon. All the food was fantastic. The entries from the Georgia Fair were displayed. They were beautiful! The President's Challenge was a real learning experience. We all can go outside our 'color comfort zone' and still make a fantastic project! The morning was a nice way to finish out the year.

We are already hard at work planning for next year. We have a lot of great ideas that we're working on. As we finalize more programs and workshops, we'll be able to let you know what's coming farther down the road. See you at the meeting!

Kim

After Meeting Workshops and Sew-Ons

Cheryl Dingledine, workshops@savannahquiltguild.com

Welcome 2023!

The theme of the workshops this year is “Getting to know you” and that includes new friends, new skills and new crafts! So excited to hit the ground running with February’s workshop which will introduce Cat Allard one of the guilds newest members who will be presenting quilt repair during the meeting and then will meet with members who have a quilt they have questions about. She will go over quilt repair in more detail and use member quilts to teach how to make those small needed repairs and when to use a professional. So everybody bring those quilts that need some ♡. If you don’t have a quilt that needs something now I would still plan on staying to have the knowledge for the future.

- ♥ February meeting will also be when you will bring your first fat quarter if you are participating in the Christmas exchange. The colors for February are anything that reminds you of winter for example white, gray, or winter scenes I’ll have some examples at January’s meeting.

See you then, Cheryl

Things to do this month...

◆ Come join the fun at the “Friday Sew Bee”.

Four hours of sewing fun with a lovely group of ladies that love to quilt. The Sew Bee meets from 10 am to 2 pm at Talahi Island Community Center. Email Renee to reserve your spot at rippinrenee@gmail.com.

Monday Zoom

Several quilt guild members meet each Monday at 11am for the Monday Quilting Zoom. This began with the Zoom meetings we had during quarantine and has continued to keep in touch with each other. Several members of the guild who do not live in Savannah love being able to take part in the Monday zoom. They feel a connection to the quilt guild though they cannot attend the monthly meetings. We talk about a wide range of subjects related to quilting - piecing, paper piecing, machine quilting, free motion quilting, sewing rooms, lighting and more. It is a chance to ask questions and seek advice from each other. We share our works in progress, finished pieces, news about quilt shows, books, TV shows and YouTube channels. Participants can send me pictures by email which are shared to the group. So, if you would like to join us please let me know and I will add you to the email list. We would love to see you on Monday mornings at 11 am.

Upcoming Classes - Nationally known teachers

CLASSES: with Judy Walker and Mary Bell Fuller

Suzi Parron
Barn Quilt Painting Workshop
Friday, April 14, 2023

Join us as Suzi Parron presents her Barn Quilt Painting Workshop. Members of the class will paint a 24" x 24" wood quilt block. Suzi will have the pre-primed squares and suggested patterns, paints and foam brushes and other tools ready to launch us into this special experience. To preview what we will do doing, check out her website www.barnquiltinfo.com

How are barn quilts made? The very first barn quilts were painted directly on the surface of the barn. Local artists were employed in painting the blocks, but the process was time consuming. Soon the method was changed, and painters began creating quilt blocks on wood, which was then mounted on the barns. A full-sized barn quilt is eight-by-eight feet, which requires two full sheets of plywood, mounted side by side. Many barn quilts are simply painted on plywood, which is first sanded and primed. More recently, barn quilt painters have been using MDO sign board, which is a bit more expensive but easier to work with, as the surface is smooth. The paint used is exterior latex or acrylic, the same type of paint that is used for houses. Once the design is drawn onto the boards, each section is outlined with painters' tape and then painted with several coats.

Except from barnquiltinfo.com

The **non-refundable registration fee is \$50**. The kit fee is \$35 making the total cost of \$85. You must pay the registration fee when you sign up. Registration will open at our January quilt meeting. The kit fee may be paid by March 11, 2023.

Community Outreach - Brighten the world of a sick child

Cindy Strubbe

Memorial NICU is always in need of hats/caps for the babies. The very small preemies cannot wear them, but as they grow and the larger children in there do use them. They may be used in the ISN, Intermediate Special Care Nursery, also.
