Hello Everyone!

So, as we're moving into March and (hopefully) some spring weather, I hope you are able to find some time in the sewing room!

Please don't forget that our meeting this month will be held at The First Christian Church of Savannah. The address is 711 E. Victory Drive Savannah, GA 31405. There is parking available in the church lot. From Victory Drive, turn onto Paulson and take the first alley into the Fellowship building. The meeting/workshop times remain the same. Also, April's meeting will be on the 15th because of Easter.

I also wanted to thank Peggy for the great job she did running the meeting in my absence. Thanks Peggy!

For me personally, it has been really wonderful to see how much our guild has grown in the last six months! I believe that there is real strength in numbers. Every member has something of value to share, whether you choose to come once a month, or dive into all that our guild has to offer. There are many wonderful friendships for all of us to make, both new members and old. As we move forward this year, I hope that our newer members find that the Savannah Quilt Guild is a place to make friends, learn new skills and immerse yourself in everything that is quilting.

Kim

Programs and upcoming events

Peggy Caldwell, Vice President, programs@savannahquiltguild.com

Hello Everyone,

March Program

“Don’t wait for inspired moments-make creating a part of your list of necessities”. Quote appeared in Where Woman Create. Though many of us have gone through creative dry spells, creativity manifests itself in different projects! That’s why having Emily Robertson-Hood talk about a fun twist on a Block of the Month program will be perfect for our March Guild Meeting!

Emily will cover that every month a new Block of the Month will be featured at our meeting. Any interested member can make the block or multiples of the block. The next month, you'll put your name into the drawing when you turn in your block. It’s a great way to try out different blocks and who knows? Maybe you will win!!

Emily will also share benefits of this type of program and answer questions on the 'how to' during the actual talk.

Peggy

After Meeting Workshops and Sew-Ons

Cheryl Dingledine, workshops@savannahquiltguild.com

March workshop: with Cheryl Dingledine “Me” on “No Sew Rope Baskets”.

We will have 2 methods to create some great looking and useful baskets. Supplies needed are 100 feet of cotton clothesline, available at local stores. Home Depot, Lowe’s, Ace Hardware and Walmart and also online on Amazon. A glue gun with low temp, glue sticks and if you want to decorate with color strips of fabric cut on the diagonal (a yard will be more than enough). The second method would use yarn wrapped around the rope and threaded through so glue would not be needed. It’s a great opportunity to use up leftover yarn

Note: The fat quarter color or pattern this month is something that reminds you of wind.

See you soon

Cheryl

Jan Howard, sunfish2@att.net

Memorial NICU is always in need of hats/caps for the babies. The very small preemies cannot wear them, but as they grow and the larger children in there do use them. They may be used in the ISN, Intermediate Special Care Nursery, also.
