

Eastern Sunrise – unfinished size 8” square

Due at the August 2025 guild meeting

Please use 100% cotton quilting fabrics; ‘white’ should match a sheet of TP... seriously – try it!

Prints fabrics can be any color or scale – have fun

Tester Note: *I included some white in the scrappy parts... It seems to tie the whole block together better*

- This is a paper pieced block & it’s included on the reverse side
- Remember to use a tighter stitch length & a bigger needle (this will help with paper removal after sewing)
- Trim seams to ¼” (An *Add-A-Quarter* ruler is useful)
- If you print this at home, ensure the block **prints out at 8” to 8 1/8”**; make adjustments to achieve this size
